

## *Spa Heritage and History*

**M**ilton Hershey gave us chocolate and his wife Catherine gave us her love of roses. Chocolate and roses, among many other indigenous elements, are the basis of the unique treatments at The Spa at THE HOTEL HERSHEY®. Immerse yourself in a Chocolate fondue Wrap, WHIPPED COCOA BATH™, or Chocolate Bean Polish and experience the true meaning of THE CHOCOLATE SPA®!

In addition to our traditional chocolate and classically themed spa services, The Spa pays homage to Milton Hershey's love for Cuba with the Cuban Spa Experience. Mr. Hershey visited Cuba in 1916 and fell in love with the country at first sight. During this time, the world was embroiled in the first great war; and sugar, which is essential to milk chocolate production, was in short supply. It was at this time that Mr. Hershey decided to purchase sugar plantations and mills in Cuba so that he could mill and refine his own sugar for use in his Hershey chocolate factory.

Today, you can indulge in a Chocolate Sugar Scrub, Mojito Body wrap, Mojito Sugar Scrub, and Noche Azul Massage. Escape to the paradise that Mr. Hershey so loved.
