

HERSHEY

The Sweetest Place On Earth®

HALLOWEEN IN HERSHEY

2-DAY SUGGESTED ITINERARY

Day 1

Morning / Afternoon

Start your daytrip with a visit to The Hershey Story: The Museum On Chocolate Avenue. Experience an inspirational journey through Milton S. Hershey's lifetime and beyond, a tale spanning more than 150 years of trials, triumphs, and philanthropic endeavors. And don't miss the new Trick-or-Treat Time Machine where you can design your own bag and collect special candy treats from different eras of Hershey history.

From The Hershey Story, you're already located within easy walking distance to three great restaurants. Try Café Zooka inside The Hershey Story—we recommend the chocolate tasting bar, too—or visit the nearby Devon Seafood Grill and Houlihans. After lunch and the obligatory chocolate dessert, get ready for *Hersheypark In The Dark* which opens at 4PM on Fridays and 2PM on Saturdays and Sundays.

Late Afternoon / Evening

Make *Hershey's Chocolate World* your first stop during your *Hersheypark In The Dark* experience. Located directly across the main entrance from *Hersheypark* and offering year-round free admission, *Hershey's Chocolate World* offers a complimentary tour ride and complimentary Hershey's sample. Listen to Halloween storytelling and stock up on your favorite Hershey's Trick-or-Treat candy for all your Halloween party needs. For kids 12 and under, the road to *Hershey's Trick-or-Treat Adventure* starts at *Hershey's Chocolate World* and continues deep inside *Hersheypark* in *Treatville*, our hometown village of sweets and treats.

At *Hersheypark In The Dark*, enjoy thrilling rides and roller ghosters, delicious holiday food, spooktacular live entertainment, and so much more! Warm up with a mug of delicious hot chocolate, say hi to the strolling *Hershey's Product Characters*, and catch a great Halloween-themed show. Remember to bring your flashlights for *Creatures Of The Night* at *ZooAmerica*, offering a rare glimpse into the nighttime habits of over 200 native North American animals. Admission is included when entered from within *Hersheypark In The Dark*.
